Ref No. 1507-2H.

Station Madras, *Dated the* 1st October 1936

From (Name) Lt. Col. C. Newcomb, I.M.S.,
(Designation) Offg. Surgeon-General with the Government of Madras.

To The Secretary to the Government of Madras,
Education and Public Health Department.

Sir,

At the instance of the District Medical Officer, South Kanara, I have the honour to address the Government for sanction to the appointment of the following staff:-

(1) An additional nursing orderly for Headquarters Hospital, Mangalore.

(2) An additional Female nursing orderly and an additional female toti for Lady Goschen Hospital Mangalore.

Nursing Orderly - Headquarters Hospital, Mangalore.

The District Medical Officer, South Kanara reports

reports that the necessity for an additional male nursing orderly is very keenly felt in the Government Headquarters Hospital for the following reasons:-

The Tuberculosis shed is pretty far away from the main building being situated down below in a corner of the compound - the ascent and descent here are pretty stiff and tiresome for an ordinary person. Out of the eleven nursing orderlies one does theatre work, two go on night duty and the rest eight are working in the crowded out-patients including leprosy clinics medical and surgical wards. Since only two nursing orderlies could be spared for night duty one nursing orderly is working in the medical and the other in the surgical ward, the tuberculosis shed is deprived of a nursing orderly during the nights when poor helpless patients are left to themselves often when they are in their agony. Hence an additional nursing orderly is very essential for the tuberculosis shed.

At present there are 11 nursing orderlies. The sanctioned bed strength of the hospital is 100 and the daily average number of in-door patients treated at the hospital during 1933, 1934 and 1935 was 102.30, 99.97 and 115.20 respectively. As per scale of one nursing orderly for 8 beds the hospital is entitled to have 12 nursing orderlies. Further the daily average number of in-patients treated is more than the sanctioned bed strength. There is therefore real need for the appointment of an additional nursing orderly to cope with the increased work of the hospital.

I therefore agree with the District Medical Officer and recommend that the Government will be pleased to sanction the employment of an additional male nursing orderly for the Headquarters Hospital, Mangalore from 1st April 1937.

Lady Goschen

Lady Goshen Hospital, Mangalore. The District Medical Officer, asks for the entertainment of an additional female nursing orderly and a female toti for the Government Lady Goshen Hospital, Mangalore. The sanctioned number of beds for the hospital is 60 and the daily average number of in-door patients treated at the hospital during 1933,1934 and 1935 was 76.45, 77,73 and 77.05 respectively. As per scales of nursing orderlies and toties to beds or patients in hospitals approved by Government the hospital is eligible for 8 female nursing orderlies and 5 toties while there are only 5 nursing orderlies and 2 toties. The District Medical Officer states that the existing staff of nursing orderlies have their hands full in the in-patient department and they have no time to attend to the work in the out-patient department; and that it is very difficult to manage the work in the out-patients without a female nursing orderly. As regards toties the District Medical Officer states that one toti goes by night and the other is left behind to do the day's work; and that further the services of the toti are required in the labour ward throughout the day without any rest whatever. Moreover the wards in the hospital are in different blocks and the toty will have to move about from ward to ward during duty hours. He therefore requests sanction of the appointment of an additional female toti. Based on the scale of toties to beds or patients the additional toty asked for is within the number allowed. I therefore, agree with the District Medical Officer and recommend that the Government will be pleased to sanction the employment of an additional female nursing orderly and an additional female toti for the Lady Goshen Hospital, Mangalore from 1-4-1937. The ultimate cost per annum on account of the proposal will be Rs.564 as shown below:

2 Nursing orderlies

2 (15 - ½ - 10) or 2 x 17½ x 12		420
1 female toti	10	
bonus	2	144
for 12 months		---
		564

I have the honour to be,

Sir,

Your most obedient servant,

Lt. Col. I.M.S.,

Offg. Surgeon-General with the Govt. of Madras.

E.&.P.H. Dept.

Establishment - Headquarters Hospital, Mangalore and Lady Goschen Hospital, Mangalore-Addl.Staff.

- -

C.No. 11621 from the S.G.No. 1507-2.H. d/ 1/5-10-'36.

The S.G. recommends the employment of the following additional staff in the Headquarters Hospital and Lady Goschen Hospital at Mangalore from 1.4.37:-

Headquarters Hospital, Mangalore.

One additional nursing orderly.

Lady Goschen Hospital, Mangalore.

One female nursing orderly.

One female toti.

2. The following statement shows the sanctioned bedstrength, daily average number of patients, the existing staff, additional staff now recommended and the staff which the hospitals are eligible for.

Name of the hospital.	Sanctioned No. of beds	Av. attendance		Existing staff - Designation	Existing staff - No.	Additional staff now recommended - No.	Staff which the hospitals are eligible for - No.
Hd. Qrs.Hl. Mangalore	100	1933	102.30	Nursing orderlies	11	1	12
		1934	99.97				
		1935	115.20				
			317.47				
			(average) 105.82				
Lady Goschen Hl. "	60	1933	76.45	Female Nursing Orderlies	5	1	7
		1934	77.73				
		1935	77.05				
			231.23				
			(average) 77.08	Female toties	2	1	5

Part I for 100 beds.
Part I for 60 beds.

It will be seen from the statement above that the additional staff asked for in each case is within the prescribed limit. The S.G.'s proposal therefore to employ may be accepted. The staff may be sanctioned on a temporary basis for one year from 1.4.37.

As the add. staff has become necessary on account of the normal increase in work the proposal need not be treated as a Part II scheme.

3. A draft order is subd. for approval. It may be sent w.o. to Finance for acceptance

Finance (E.II).

Edn & PH 11621-1 dated 29.x.36.

The additional staff which Edn and P.H. propose to sanction for a period of one year from 1-4-37 is admissible with reference to the scales usually adopted for regulating the number of Nursing orderlies and totis to be employed in hospitals. As pointed out by Edn and P.H., it is not necessary to treat the proposal as a Part II scheme for 1937-38. The draft order may be accepted in Finance and Edn and P.H. informed that provision for the staff may be included in Part I of the B.E. 1937-38.
